Field Trips and extra curricular activities and events are not included with tuition and must be paid separately.

Smith Prep annual tuition includes following the services: record keeping, curriculum counseling, and standardized testing (required in grades 3-10). State Scholarship Reimbursement (NEW POLICY for 2025-26 School Year)

Smith Prep will bill Step Up for Students or AAA Scholarship Foundation directly for TUITION only. All other fees (including registration) must be paid up front by the family, after which reimbursement may be requested from whichever funding agency provides the student's scholarship.

All classes meet for 34 weeks in the academic year. Dual enrollment classes may meet for 18 weeks per semester.

Tuition payments begin on July 1. There are three payment options in FACTS: one-payment, two-payments, or ten-payments. Families must choose their preferred payment plan each year when completing or updating the FACTS enrollment packet.
